Sacred Heart Enthroned In Ten Bay-Waveland Homes During Month

Solomon enthronement of the Sacred Heart of Jesus as King of the Family took place in ten Catholic homes of the Bay-Waveland area during the last month.

The practice of solemnly acknowledging the kingship of Christ over members of the family in a formal ceremony is designed to strengthen individual devotion to the Sacred Heart within the family circle. More than 50 homes have been enthroned since the practice was introduced here last year.

Ceremonies were performed by Father John Robinson in the homes of Mrs. Josephine Sandoz, Mr. and Mrs. Tony Compretta and Mr. and Mrs. Ed Murtagh.

The summer Lay Retreat Movement, which began in the summer of 1945 with 35 men attending, reached an all-time peak last summer. Six week end retreats and a day of recollection drew more than 500 participants at that time.

"We expect this year's attendance to surpass last year's record," Father Pung said, "in view of the great number of reservations that already have been made for the other retreats this summer."

W. R. Jack Ladner Candidate For Supervisor Beat 5

W. R. (Jack) Ladner has announced his candidacy for member of the Board of Supervisors, Beat 5, in the August primary election.

His formal statement to the voters follows.

TO THE QUALIFIED VOTERS OF BEAT 5:

I am taking this means of announcing my candidacy for the office of the Board of Supervisors, Beat 5.

Briefly, my platform consists of the following main issues:

1. Complete survey of all roads of Beat 5 and personally supervise improvements of all roads. I propose to construct an addition fifteen (15) miles of hard surface roads within two years after election.

2. I will always be a servant of the people and after I am elected I do not expect the people to be my servant, which condition has existed for many years.

3. I am in favor of repair and maintenance of the sea-wall and Beach Road and will see to it that the money earmarked for this purpose is used as it should be.

4. It is my plan to obtain a sand beach from St. Charles St. to Lakeshore at no cost to the taxpayers.

5. I will cooperate with other members of the Board on all matters beneficial to the County and assure the tax payers value received for every dollar spent.

It is my intention to see each and every voter before election, however, if I should not contact you personally, I would appreciate your considering this announcement as a means of soliciting your vote and influence in the primary election to be held on August 2nd. A vote for me is a vote for a progressive County—"Go to the bat and vote for Jack."

Respectfully submitted, W. R. (Jack) LADNER

Library Donation Mystery Is Solved

Mysterious donor of 108 volumes left at the door of the City County Memorial Library two weeks ago was discovered to be Robert Chapman, Gulfport businessman, Miss Louise Crawford, librarian, announced this week.

"We are extremely grateful to Mr. Chapman," Miss Crawford said, "for his generous gift of so many beautiful books on a variety of subjects."

"At present we are cataloguing them, and we find that among them are: 1951 edition of Webster's unabridged 20th Century dictionary; Encyclopedia Britannica World Atlas; Hammond World Atlas; Audubon's 'Birds of America,' beautifully illustrated with handsome color plates.

"There also are books on art, old glass, old silver, old pewter, home decorating, water colors and photographs which should interest persons of any age, and particularly collectors."

"In addition to these, there are also novels, children's books and classics, some of which are duplicates of volumes we have already."

"A very valuable volume, 'New Orleans Characters,' by Leon J. Fremoux. Published in 1876, it is one of the 50 printed for the original edition. The delightful hand-colored illustrations depict all the quaint characters of that era, such as the apple vendor, chimney sweep, Indian women with baskets on their heads, stevedores, 'fix-it' men and many more."

"We do hope the people of our city and county will drop in to see these new books, and we are sure they will find something that will be both interesting and profitable for their summer reading pleasure."

"He just couldn't disguise himself," Margie Stiglet said breathlessly. "When I asked him if he was really Jerry Lewis, he said, 'Shh. Don't tell anybody.' But of course, I just couldn't keep it to myself."

"It was just too good to be true. He said he was on a world tour, and didn't want to be recognized. But when several of us knew who he was, you should have seen the other people crowding around."

"He drove off in the most beautiful yellow Cadillac I have ever seen. Yes, indeed, it was really exciting to see a real movie star right here in Bay St. Louis."

Fourth of July week in Waveland was one of the busiest and most crowded in years. Homes everywhere were filled with many "full houses". The celebration cannot begin to tell about all of the good times and the three day holiday. The beach was free from traffic thanks to the consideration of the motorists, the caution of the pedestrians and the help of the local marshal. Bonfires along the beach

blowed brightly on Monday evening and the American Legion fair in Bay St. Louis attracted large crowds. The beautiful speed boat that was given away by the Knights of Columbus was won by Carl Garcia of Bay St. Louis.

Of course, there is always one axe to grind and it is high time this condition was brought to the attention of waveland's beach residents and to the town officials. Since when has our beach become the place to dispose of refuse and garbage? There are many people from out-of-town who do not realize that our beach and its waters has always been a place for pleasure, a place for our children to swim in safety and health.

I personally saw several people dump baskets of garbage into the lake during the week end, including old grapefruit skins, oranges, beer cans, beer cartons, paper, crab shells, and assorted cans, the sharp tops of which could cut a person's foot nearly off.

Yet these same people walk to the end of their piers and go into this water floating with their

own garbage and "enjoy" a swim. The youngsters have to bathe in the bay. The ignorance and thoughtlessness of some people are contaminating the water. It is hoped that our city officials will look into the matter and make this abuse of the beach front a penalty. There is a garbage collection in Waveland three times a week. Why not help those of us who care to keep Waveland beautiful, clean and healthy?

HOMEMAKERS STUDY

CLOTHING CONSTRUCTION

The Bishop Method of clothing construction, one of the most important developments in the field of Home Economics, was the subject for study by 25 homemaking teachers and home demonstration agents which gathered at Mississippi Southern, June 14-18.

Sponsored by Southern's division of Home Economics, the Institute featured instructions and demonstrations by Mrs. Edna Byrte Bishop of McDonald, Pa., originator of the Bishop Method.

The Bishop Method has achieved national prominence in that it teaches its students to like to making clothing and teaches them how to do it in a minimum of time.

Among those attending was Juanita Erwin of Bay St. Louis, homemaking teacher at Bay St. Louis.

### RUSSELL ELLIOTT WISHES TO CORRECT FALSE STATEMENTS OF SYLVAN LADNER, IN LADNER'S PERSONAL ATTACK AGAINST HIM AT FLAT TOP RALLY

Last Friday at the Rally in Flat Top, in the absence of Ed Ortte, who as Vice President of the Gulf Coast Fishing Rodeo, was in Gulfport attending the opening of this Civic Affair, I made the statement that "ED ORTTE, BACK IN THE 1940's, WAS THE INDIVIDUAL THAT BROKE THE BACKBONE OF THE POLITICAL ORGANIZATION THAT RULED HANCOCK COUNTY AND THE CITY OF BAY ST. LOUIS POLITICS. And that the people of Beat 5 showed their appreciation for the job he had accomplished in ridding the County of the corrupt politics, by giving him, in the 1947 election, the largest vote ever received by any Supervisor in Beat 5, running against an opponent in the second primary." Sylvan Ladner, speaking from the stump, told the people that I had not told the truth, and that I was trying to claim credit for Ed Ortte that was not due him. That Ed Ortte did not clean up the City of Bay St. Louis, but that he, Sylvan Ladner, was the one that cleaned up Bay St. Louis politics, and at that time Ed Ortte was not even in politics, as he went out of office in 1947.

I would like to say that my statement was true, as black and white written records will prove! And in 1947 Ed Ortte did not go out of politics as Sylvan Ladner says, but he was RE-ELECTED TO THE BOARD OF SUPERVISORS TO SERVE THROUGH 1951. And it was also at that time that ED ORTTE WAS ELECTED PRESIDENT OF THE BOARD OF SUPERVISORS.

Sylvan Ladner has made this a personal matter with me by stating I lied. As a matter of fact, in my opinion he lied! It is my belief that honesty and truthfulness go hand in hand. You can't be honest and untruthful nor can you be dishonest and truthful. You have to be both or neither. Sylvan Ladner claims to be honest.

I would like to state further that I did not say Ed Ortte cleaned up the City of Bay St. Louis, as Sylvan Ladner twisted by statements, but I did say, as my quotation above, that "ED ORTTE BROKE THE BACKBONE OF THE POLITICAL ORGANIZATION THAT RULED HANCOCK COUNTY AND THE CITY OF BAY ST. LOUIS POLITICS."

I made no personal attack on any individual, and I wish only to clarify this uncalculated attack on my character by Sylvan Ladner.
